## **Sa'āfiqah Continue Their Abuse Against The Salafi Scholars: This Time Against Shaykh Muhammad Bazmool**

Shaykh Abdullah Al-Ahmed حفظه الله said:

The *Sa'āfiqah* have indeed rushed to attack our Shaykh, Al-Allamah Muhammad Bazmool حفظه الله when he opposed their Manhaj and their Hizbee way.

We do not however see this attack on those who hold secret Hizbi meetings (Shura Council) thereby opposing the command of Allah and the command of the rulers. Rather, we have seen support and justification for these secret calamitous gatherings that have and continue to split the Jama'ah of the Muslims in Saudi Arabia and outside Saudi Arabia.

Alhamdulillah, the Salafis who possess sound intellect do not accept anything whatsoever that the *Sa'āfiqah* say against any Salafis.

Alhamdulillah, Ahlul-Sunnah have indeed boycotted the *Sa'āfiqah* after seeing what the *Sa'āfiqah* harbour from wickedness, deception and deceit for Ahlul-Sunnah.

*Sa'āfiqah* are now only shadows on social media, whereas in reality they are like scattered particles of dust.

**[Translators note]** - *These despicable Sa'āfiqah continue to abuse and revile the Salafi scholars. They claim that they follow the "Kibaar" and that they do not precede them. The Sa'afiqah preach that not following the Kibaar is an insult to the Kibaar and is an attempt to bring them down! So, which Kibaar did **Ahmad Zahrani, Abdul-ilah al-Rifa'i** and **Fawwaz Al-Madkhali** consult and follow in attacking and abusing Shaykh Muhammad Bazmool?! Where are the Kibaar now?!*

لقد سارع الصعافقة في التهجم على شيخنا العلامة محمد بازمول -  
حفظه الله- لما خالف منهجهم وطريقتهم الحزبية،

ولم نرَ هذا التهجم على من خالف أمر الله وأمر ولاة الأمر بعقد  
مجالس شورى سرية حزبية، بل رأينا التأييد والتبرير لهذه المجالس  
السرية المشؤومة المفرقة لجماعة المسلمين في الداخل والخارج.

والحمد لله أن السلفيين أهل العقول السليمة لا يقبلون من الصعافقة  
صرفاً ولا عدلاً .

والحمد لله فقد هجر أهل السنة الصعافقة لما رأوا ما ينطوون عليه  
من الخبث والكيد والمكر لأهل السنة.

فالصعافقة الآن أشباح في وسائل التواصل فقط أما على أرض  
الواقع فهم كالهباء المنثور ..
