

Arafat on Al-Allamah The Muhaddith Abdul-Mohsin Al-Abbad Al-Badr: "He has brought himself down"

Arafat said in a gathering that was attended by some of the students of knowledge from the Emirates and Qatar:

"The Hizbis have taken Al-Abbad as a hammer with which they strike Ahlul-Sunnah".

The brother Saqar (Yemeni) who lives in the Emirates said to him:

عرفات عن الشيخ العباد: هو أسقط نفسه

"You by way of this (statement) have brought Al-Abbad down?!"

قال عرفات في أحد المجالس التي جمعته ببعض طلبة العلم من الإمارات وقطر: الحزبيون اتخذوا العباد مطرقة يضربون بها أهل السنة

Arafat replied, "I did not bring him down. He has brought himself down!!!"

فقال له الأخ صقر -يمني يعيش في الإمارات-: أنت بهذا تسقط العباد؟!!

فقال عرفات: أنا لم أسقطه هو أسقط نفسه!!!!

From those witnesses who attended this gathering:

وكان من الحاضرين الشهود في ذلك المجلس: عبد الرحمن العوضي القطري وسعيد وراشد القطريان وصلاح السميعي الحمادي الإماراتي وعبد العزيز الحمادي وغيرهم.

Sa'āfiqah's War on the Salafi Manhaj

Shaykh Abdur-Rahman Mohyideen حفظه الله commented on Arafat's attack on this great Muhaddith Abdul-Mohsin Al-Abbad حفظه الله:

Can you see how envy appears on the slips of the tongue of the servants. A scholar whom Allāh has granted acceptance with His creation, he (Arafat) says regarding him, "He has brought himself down".

Why did he (Arafat) not explain how "he has brought himself down"?

A scholar who raised the Islamic University (of Madinah) and Allāh raised him.

This Miskeen comes and says,

"He has brought himself down".

This is a WAR on the Salafi Manhaj.

O Allāh, You (Alone) are Sufficient for us, and the Best Disposer of affairs (for us).

الشيخ عبدالرحمن محي الدين

ارايتم الحسد كيف يظهر على فلتات لسان العبد ، عالم أعطاه الله القبول عند خلقه يقول فيه (هو اسقط نفسه) هلا بين كيف اسقط نفسه ؟ عالم رفع الجامعة الاسلامية رفعه الله ويأتى هذا المسكين ويقول (اسقط نفسه) هذا حرب على المنهج السلفى فاللهم انت حسبنا ونعم الوكيل
