

Al-Allamah Rabee bin Hadi:

Abdul-Wahid Al-Madkhali
The Liar

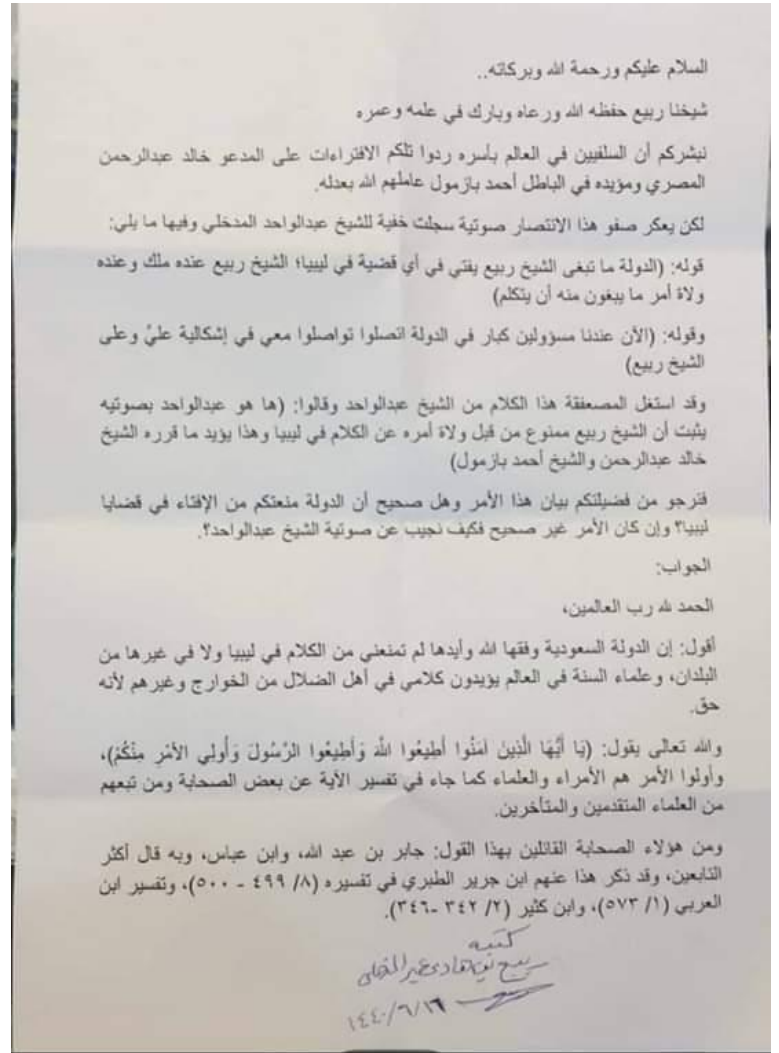

Al-Allamah Rabee bin Hadi: Abdul-Wahid Al-Madkhali the Liar

Dear reader, may Allāh have mercy on you, below is a translation of questions posed to Al-Allamah Rabee bin Hadi Al-Madkhali by the despicable Sa'afiqah as well as Shaykh Rabee's answers.

السلام عليكم ورحمة الله وبركاته

Our Shaykh, Rabee, may Allāh preserve him, protect him and bless him in his knowledge and his age.

We give you the glad tidings that the Salafis across the entire world have refuted the lies of Khalid Abdur-Rahman Al-Misri and his supporter in falsehood Ahmed Bazmool, may Allah deal with them with His Justice.

However, what has killed the good spirits of this victory is a voice recording of "**Shaykh**" Abdul-Wahid Al-Madkhali which was recorded secretly. The following is found in this recording:

He (Abdul-Wahid) said, ***"The country [KSA] does not want Shaykh Rabee to issue a Fatwa to do with any issue concerning Libya. Shaykh Rabee has a king and those in authority who do not want him to speak..."***.

And he said, ***"Now senior officials of the country [KSA] have called me and contacted me. There is a problem for me and for Shaykh Rabee"***.

The Musa'fiqah have exploited this speech of "**Shaykh**" Abdul-Wahid and they say, ***"Here we have Abdul-Wahid who has affirmed with his voice that Shaykh Rabee has been forbidden by his rulers to speak about issues concerning Libya, and this supports what Shaykh Khalid Abdur-Rahman and Shaykh Ahmed Bazmool have established"***.

We ask from Your Eminence to clarify this affair. Is it correct that the government has prohibited you from issuing Fatawa regarding matters pertaining to Libya? And if this is not the case, how can we respond

regarding the voice recording of "**Shaykh**" Abdul-Wahid?

The Answer [Al-Allamah Rabee b. Hadi]:

All praise is for Allah, the Lord of all that exists.

I say: The Saudi government - may Allāh grant it success and aid it - has not stopped me from speaking about Libya nor any other country. And the scholars of the Sunnah across the world support my speech regarding the people of misguidance from the Khawarij and other than them because it is the truth.

Allah The Most High says, "***O you who believe! Obey Allah and obey the Messenger (Muhammad), and those of you (Muslims) who are in authority***". And those in authority are the rulers and the scholars as has come in the explanation of this verse from some of the Sahabah and those who followed them from the earlier and the later scholars.

From the Sahabah who said this [regarding this verse] are Jabir bin Abdullah and Ibn Abbas. And this was also the saying of the majority of the Tabieen. *This has been mentioned by Ibn Jareer al-Tabari in his Tafseer (8/499*

- 500), *Tafseer Ibn Al-Arabi (1/573) and Ibn Katheer (2/342 - 346)*.

Commentary

1. These questions were asked by the Sa'afiqah to our Shaykh, Rabee bin Hadi Al-Madkhali حفظه الله just a couple of days ago in an attempt to further belittle some of the Salafi scholars. The reader can see at the end of the Arabic document that it has been signed by the virtuous Shaykh, Al-Allamah Rabee bin Hadi.

2. The Sa'afiqah in general are a people who are quite stupid and have little intelligence; they thought that this answer by Shaykh Rabee was in their favour. However, when one ponders over this answer, he immediately realises that the answer of this great scholar is in fact a refutation of the Sa'afiqah!

3. The questioner(s) says that a voice recording of Abdul-Wahid Al-Madkhali has appeared in which he says that Shaykh Rabee has been prohibited by the authorities to speak about issues concerning Libya.

Please note - dear reader - that this speech of Abdul-Wahid has really troubled the Sa'afiqah Mafia from many angles.

So, they came rushing to Shaykh Rabee for a solution to this predicament that they are in.

Shaykh Rabee, however, **believes** Abdul-Wahid and says that he has not been stopped by the authorities from speaking about Libya nor any other country!!!

So, here every person of intelligence can see that Abdul-Wahid has clearly lied against Shaykh Rabee!! And this is certainly not the first time Abdul-Wahid has lied. He has lied on many occasions and continues to lie.

Look at how Allah The Most Wise exposed this liar!!

"Then is there any that will remember (or receive admonition)?"

Al-Allamah Rabee bin Hadi Al-Madkhali says:

Oh brothers, lies are worse than innovations. A **liar is worse than an innovator** in the view of Ahl-ul-Sunnah. One can narrate from an innovator. They (Ahl-ul-Sunnah) narrated from the Qadariyyah, Murji'ah and from other than them from the different types of people of innovation so long as his innovation was not one which takes a person out of the fold of Islam and so long as he was not a liar.

If a liar belongs to Ahl-ul-Sunnah, he is [considered] more vile than the people of innovation in the sight of Ahl-ul-Sunnah. And it is based upon this that Ibn Adee رحمه الله in his book "Al-Kaamil", included approximately 29 chapters about liars and one chapter about the people of innovation. Moreover, Ahl-ul-Sunnah accepted the narrations of the people of innovation who were truthful so long as they were not callers to their innovations.

[Source: This was in response to a question posed to the sheikh during the opening talk in Imam bin Baz conference held in Ta'if in 22/06/1426].

Imam Al-Albani رحمه الله said, **"Lying is from the strongest and the clearest reasons for Jarh (criticism)"**. [Al-Silsilat ud-Dhaeefah, 1/93]

Ibn Hazm رحمه الله said, **"None is pleased with lies except the vile one who has no religion nor manhood"**. [Rasaail Ibn Hazm, 3/74]

4. Abdul-Wahid admits that the authorities have contacted him. Why would the authorities contact him?! If this secretive innovated Shura Council was something legislated and permitted by the Saudi authorities, why would they contact Abdul-Wahid?! And why is there now a problem for him and for Shaykh Rabee?!

This disgusting individual has been lying about Shaykh Rabee's involvement in these secretive innovated gatherings hence has caused the Shaykh many problems. Once their evil secretive Shura Council got exposed - which is in opposition to the ruler - they dragged Shaykh Rabee's name into it in order to hide behind him and to avoid any legal action against them. They know very well that Shaykh Rabee is highly respected by the king, the Saudi authorities and the scholars. And then they have the audacity to claim that they are some sort of defenders of the Shaykh and that they respect him!!

"Then is there any that will remember (or receive admonition)?"

5. The voice recording which leaked and spread across the entire world is where Abdul-Wahid Al-Madkhali is speaking about a secret Shura Council and private meetings. During these innovated gatherings, issues related to bloodshed and fighting in Syria, Libya and Yemen have been discussed and then verdicts have been issued and spread verbally without the knowledge of the Saudi authorities.

Please refer to the following link for this audio and its translation into the English language. Please note that the brother - may Allah reward him - was not involved in writing this article.

Abdul-Wahid is not in any way whatsoever referring to the meetings which at times may be conducted by Shaykh Rabee and other Salafi scholars to discuss issues relating to Dawah or issues that are not specifically for the ruler. Not even the people of innovation deny or oppose such meetings. Allah The Most High says, ***"And those who answer the Call of their Lord [i.e. to believe that He is the only One Lord***

(Allah), and to worship none but Him Alone], and perform As-Salat (Iqamat-as-Salat), and who (conduct) their affairs by mutual consultation, and who spend of what We have bestowed on them". Allah The Most High also says to His Prophet صلى الله عليه وسلم , ***"And consult them in the affairs"***.

However, there are some sick diseased individuals who are using deception to spread falsehood. They mix between the truth and the falsehood. They have deliberately caused confusion by mixing two different affairs; one that is legislated and from the Sunnah and the other which is an evil innovation.

We are waiting for them to finish their writings of deception and falsehood. And then by the permission of Allah, we will burn their Talbees and Falsehood with the light of the Haqq. Allah The Exalted says, ***"Nay, We fling (send down) the truth against the falsehood, so it destroys it, and behold, it (falsehood) is vanished"***.

"Then is there any that will remember (or receive admonition)?"

6. The Sa'afiqah over the past several years have tremendously harmed the Dawah and the Salafi

scholars. They have indeed ruined the image of this blessed Dawah and its adherents. They have provided a tremendous service to the people of innovation particularly the Ikhwanis, and have - knowingly or unknowingly - aided the people of innovation in their revilement of the Salafis and their scholars especially the great scholar, our Shaykh, Rabee bin Hadi Al-Madkhali. After all they are ***"the donkeys of the Al-Ikhwani Muslimoon"***.

After the voice recordings of Abdul-Wahid regarding these **innovated secretive meetings** surfaced and recordings in which he dragged the name of Shaykh Rabee into these **secret gatherings**, the **Ikhwanis** across the world have been continuously rejoicing. These Ikhwanis have taken this opportunity to revile Shaykh Rabee and accuse him and the **"Madkhalis"** of **innovated secretive Shura Council** that interferes with major issues affecting Muslim countries. This in turn has alarmed the rulers and the authorities in Saudi Arabia.

The Sa'afiqah have dragged the name of Shaykh Rabee through the mud and have ruined this great scholar's reputation. The Sa'afiqah have managed to achieve in several years what the **Ikhwanis** and others from the people of desires have been trying to achieve for decades.

Look at how much evil the Sa'afiqah have brought upon this great scholar. That's why our Shaykh, Muhammad bin Hadi always says that the aim of the Sa'afiqah is to bring down the Salafi scholars one by one until they reach Shaykh Rabee.

"Then is there any that will remember (or receive admonition)?"

7. After these recordings of Abdul-Wahid surfaced and spread across the world, he should have just sought repentance from his Lord and publicly recanted. Instead, to cover himself up, his **lies**, his **Hizb** and his **Shura Council**, he decided to involve Shaykh Rabee into this mess.

These despicable Sa'afiqah have no mercy upon the Shaykh. They have no respect nor any concern for his health and his physical weakness. At a time where the Shaykh should be allowed to rest and spend most of his time worshipping his Lord, these evil people have preoccupied him with their Fitnah and are continuously causing problems for the Shaykh so that they can spread their evil, spread their propaganda and push out their agendas in a feeble attempt to "**inherit**" the Dawah after the passing away of the great scholars.

"Then is there any that will remember (or receive admonition)?"

8. It can also be noticed from the above document that Shaykh Rabee did not at all comment on nor support their speech regarding Shaykh Ahmed Bazmool and Shaykh Khalid Abdur-Rahman. The Shaykh did not comment on their so-called "**victory**".

And what this shows is how keen the Sa'afiqah are in sowing seeds of **dissension** amongst the scholars. Never have they made an attempt to bring scholars together and never have they strived for rectification, cooperation and unity.

The Sa'afiqah have managed to cause **dissension** between Shaykh Rabee and between almost all of the well-known Salafi scholars across several countries.

"Then is there any that will remember (or receive admonition)?"

9. These are the scholars of **SPubs**, **MPubs** etc; inexperienced youngsters in their 30s and 40s.

These are the scholars of **Spubs, MPubs etc.** who are striving to replace our noble scholars such as Shaykh Muhammad bin Hadi, Shaykh Abdur-Rahman Mohyideen, Shaykh Sulaiman al-Ruhayli, Shaykh Abdur-Razzaq al-Badr, Shaykh Muhammad Ferkous & other well-known scholars of Algeria, Shaykh Muhammad Akoor, Shaykh Muhammad bin Zayd Al-Madkhali & other well-known scholars of Jazan, Shaykh Muhammad Bazmool, Shaykh Ahmed Bazmool, Shaykh Ruzaiq al-Qurashi, Shaykh Muhammad Ramzan al-Hajiri, Shaykh Aiydh Shammari, the Salafi scholars of Egypt, the Salafi scholars of Kuwait alongside others.

"Would you exchange that which is better for that which is lower?"

Abu Hurairah رضي الله عنه said, the Messenger of Allāh صلى الله عليه وسلم said, ***"A person is upon the religion of his friend, so let each one of you look at whom he befriends."***

"Then is there any that will remember (or receive admonition)?"

10. Dear Salafis, those of you who Allāh has blessed to be upon this blessed Salafi Manhaj for some time now, should ask yourselves the following question: **why is it**

that you never witnessed this type of severe Fitnah when those whom were in the gatherings of Al-Allamah Rabee were the likes of the great scholars mentioned above (point 9)?!

Why is it when these great scholars were in the gatherings of Al-Allamah Rabee, we used to see scholars across the world working together and cooperating with one another upon goodness and conducting beneficial conferences ever so often?!

Never was it like this when these great Salafi scholars were the ones in Shaykh Rabee's gatherings!

"Then is there any that will remember (or receive admonition)?"

Final Remarks

Dear Salafi, do not become despair of Allah's Mercy, ***"for Surely, Allah's Mercy is (ever) near unto the good-doers."***

"When (will come) the Help of Allah?" Yes! Certainly, the Help of Allah is near!"

"And give glad tidings to the believers".

So we give you the glad tidings that the time of these evil doers is ever so limited.

"Verily, Allah does not set right the work of Al-Mufsidun (the evil-doers, corrupts, etc.)."

"And, verily! Allah guides not the plot of the betrayers".

Rejoice O Ahlul-Sunnah and remain patient and steadfast upon the truth.

"Know that victory comes with patience, relief with affliction and with hardship comes ease".
