# Years of Treachery: Exploiting Scholars

The Prophet صلى الله عليه وسلم said, ***"There will come to the people years of treachery, when the liar will be regarded as honest, and the honest man will be regarded as a liar. The traitor will be regarded as faithful, and the faithful man will be regarded as a traitor. And the Ruwaibidhah will speak. It was said: 'Who are the Ruwaibidhah?' He said: 'Insignificant people who will speak about matters concerning the common people'".***

Regrettably certain Salafi Marakiz & Mosques have for several years been using Shaykh Hasan Al-Banna's name to **propagate their evil** and to accomplish their **wicked goals**. These **treacherous untrustworthy individuals** have been using a **fake Twitter account** under the name of Shaykh Hasan Al-Banna to promote their Dawah activities, to cause **dissension** amongst the scholars and to promote the **evil Sa'afiqah network**.

Shaykh Hasan Al-Banna in a recent audio<sup>1</sup> (Saturday 23rd February 2019) has **denied** any knowledge of such accounts.

---

<sup>1</sup> Please click on the following link to hear the audio of the Shaykh and for the English translation.  
<https://saafiqah.com/?p=1512>

He has made it very clear that he **does not** have any social media accounts nor has he allowed anyone to speak using his name or anyone to speak on his behalf.

These **treacherous untrustworthy individuals** have been **deceiving** innocent Salafi brothers and sisters and **lying** to them for several years. These **deceptive** characters have truly **betrayed** Salafiyyah and the Salafi masses who trusted them with the most valuable thing they possess: their Deen and their Salafiyyah.

We seek refuge in Allāh from these evil traits!

Some of the Salafi Marakiz who have promoted or used this fake Twitter account of Shaykh Hasan Al-Banna:

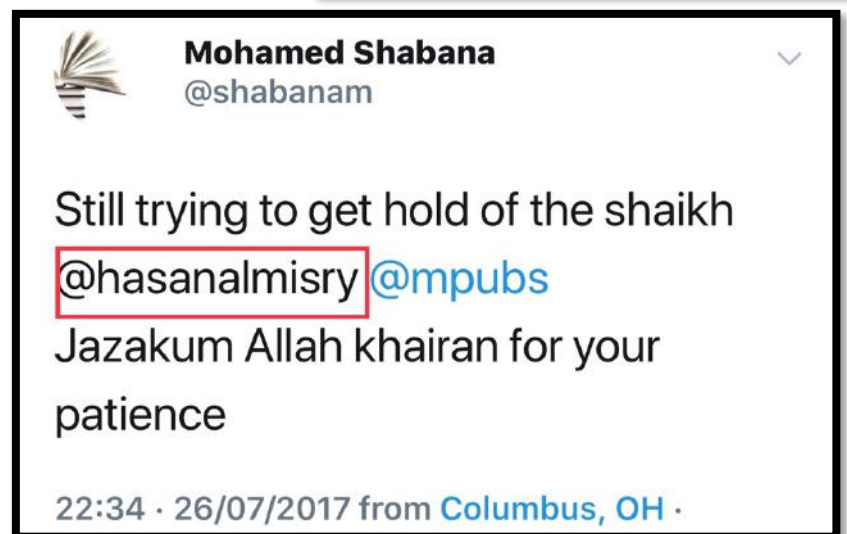

1. Mpubs which is run by the extreme & ignorant business man **Yusuf Diab**.
2. At-Tarbiyah South Florida
3. Masjid Al Uthaymeen
4. Also an individual by the name of **Mohamed Shabana**.

The Prophet صلى الله عليه وسلم said, ***"Whoever deceives us is not from us"***.

This Hadeeth shows that **deception** and **cheating** are from the major sins, we seek refuge in Allāh.

Please find below a few samples showing these deceptive people's lies and treachery.

After Shaykh Hasan Al-Banna freed himself from all **fake** social media accounts in his name, these **wicked** people **decided to delete** the Twitter account in order to cover their tracks instead of sincerely repenting to Allāh The Most Merciful - a typical Sa'āfiqah move.

Dear reader, this is why we have been continuously saying that the Sa'āfiqah network is full of **deception, lies** and **Hizbiyyah**.

It is upon Mpubs and its associates who have been using any fake accounts in the name of Shaykh Hasan Al-Banna to openly repent from the following:

1. Attributing lies to Shaykh Hasan.
2. Setting up accounts without any explicit permission.
3. Creating Fitnah for the Shaykh.
4. Deceiving the public.
5. Cheating the Salafis.

6. Harming the reputation of the Shaykh.
7. Humiliating the Shaykh by giving the impression that he is busy tweeting and promoting the foolish Sa'afiqah.
8. Using the account to propagate selective information and not representing the real position of the Shaykh.

Dear reader, do not be fooled by the lying treacherous deceptive Sa'afiqah. They are currently trying to - deceptively - convince the public to believe that secretive innovated meetings which issue Fatawa in matters related to war and bloodshed without the permission of the ruler are the same as legislated Shura meetings of the scholars who report back to the ruler where public Fatawa are issued.

Allah The Most High says, ***"And mix not truth with falsehood, nor conceal the truth while you know (the truth)"***.

Dear Salafi, we warn you against these organisations and these treacherous untrustworthy individuals. We advise you to not trust these deceptive lying individuals with your Deen. Safeguard your Salafiyyah, for indeed it's the most precious thing you possess.

***"Then is there any that will remember (or receive admonition)?"***
