CONFUSION

The Shaykh of Salafi Publications Abdul-Wahid Al-Madkhali : The State (KSA) is Angry With Us & It is Sharr, Evil

In this audio¹, Abdul-Wahid Al-Madkhali says that **"the state (KSA) is angry with us"** and he says concerning Saudi Arabia, **"These lot who are with us here are Sharr, Sharr"**.

Key Points for Consideration:

1. Why would the state be angry with you if the meetings that you hold are legal and in agreement with the Sharee'ah?! This is another strong proof to show that these meetings that the Sa'āfiqah hold are **secretive innovated gatherings** which are in opposition to the Sharee'ah and are illegal and hidden from the ruler and the authorities!

2. Look at how he describes the Kingdom of Saudi Arabia! He says, "**Sharr, Sharr**". Look at how he describes the Land of Tawheed and Sunnah! Look at how he describes the Land of the Haramain!

Shaykh Bin Baz رحمه الله said, "**Enmity towards this state (KSA) is enmity towards the truth and enmity towards Tawheed**".

3. Is this not from the Manhaj of the Khawarij?!

This is why the noble Shaykh Abdur-Rahman Mohyideen حفظه الله said:

"The Sa'āfiqah of today are the Khawarij of today. They understand the speech of a person contrary to what he meant, hence they go astray. Do not listen to them lest they lead you astray".

Also, at the beginning stages of the Fitnah of the Sa'āfiqah, Shaykh Muhammad bin Hadi described the Sa'āfiqah with many accurate descriptions. On one occasion he said about them, "**Youthful in age, foolish of mind**". And this is because the Sa'afiqah possess characteristics of the Haddadis and the Khawarij, and Allah's refuge is sought.

Shaykh Muhammad bin Abdul-Wahhab Al-Wasaabi رحمه الله said, "**The Haddadis first rebel against the scholars and then they rebel against the rulers**".

4. Noble reader, you must not forget the companionship of the Sa'āfiqah with the Kharijee Hani Buraik. Still many of the Sa'āfiqah have not uttered a word against Hani and many of them till this day have not explicitly warned against him although he was - and possibly still is - a very close companion of the Sa'āfiqah! So do not be surprised when you hear from the Sa'āfiqah speech that resembles the speech of the Haddadis and the Khawarij!!

And this is why the Salaf would make a judgement of an individual by his companionship.

Abdullah bin Mas'ood - may Allah be pleased with him - said, "**Judge the people by their companions, for indeed a man only accompanies one whom he admires**". [*Al-Ibaanah, no. 501*]

Muhammad bin Ubaydullah al-Ghulaabi said, "**It used to be said: The People of Desires can hide everything except their friendship and companionship.**" [*Al-Ibaanah, no. 510*]

Imaam Al-Awzaa'ee said, "**Whoever hides his innovation from us cannot hide his friendship from us.**" [*Al-Ibaanah, no. 508*]
