A Fair Trial Between Arafāt al-
Muhammadi & Khālid Uthmān
al-Misri In Order That We
Distinguish The Liar From The
Truthful

The virtuous Shaykh Abu Abdul A'la Khalid Uthman - May Allah preserve him said:

“This is a message to the three forsaken ones: **Arafāt al-Muhammadi, Abdul ilāh ar-Rifā'i & [Abu Mu'adh Muhammad] Murābit**: Not one from amongst them is able to proficiently write a knowledge based refutation which the intelligent ones accept, as well as the scholars. **They do not possess except the way of the rabble and riffraff [which is to merely] insult and abuse.**

I say to them: that verily, **Arafāt [al-Muhammadi]** has dodged that which condemns him, as is his custom. If I were to accept that he is truthful in his claim that he disavowed **Hani Ibn Burayk** - though he knows that he is lying - ***I [have then] sought from him to write something that clarifies the treachery of Hani Ibn Burayk to the people of Yemen [in his] plan to split Yemen.**

However, from that which is clear is that **Arafāt** is not able to do so, because it opposes the commands [issued by] the **Secret [Shurah] Council, and also because his brother is a member of the Southern [Transitional] Council [to split Southern Yemen from Northern Yemen].**

***I also sought from him to clarify his position against the treacherous ones in Libya, specifically their treachery to Shaykh Ubayd.**

***I further sought from him to free himself from the hideous extremism [the Sa'āfiqah have] in Shaykh Rabee, however, he has turned away from all of that.**

And he whom Allah sends astray, you will not find for him a way [to the truth - Islam] [4:143]

All praise belongs to Allah who has pardoned me with that which he has tried you with. Indeed the forsaken one is the one whom Allah forsakes.

I ask Allah the most High the One able to do all things that he places you alongside Abdul Wahid al-Madkhali [in prison] and that he empowers the ruler over you, so the Muslims are safe from you and your plots.”

Arafāt al-Muhammadi al-Muhammadi is asked about that which is being spread on social media about his brother **Ahmad ibn Hasan al-Muhammadi** being an official member of the **Southern Transition Council** [that wants to split Southern Yemen from the North]

Arafat al-Muhammadi replies saying: “this is a pure lie and a slander.”

He also said: “**Ahmad ibn Hasan al-Muhammadi** is an Imam and a Khateeb who has good efforts in da’wah to Allah...”

He also said: “[**Ahmad ibn Hasan al-Muhammadi**] has no connection with this council nor politics nor any [southern] transition council and whoever says anything other than this, then he has not spoken the truth and has fabricated a lie.”

عرفات بن حسن المحمدي

بسم الله الرحمن الرحيم

فإن أخي وشقيقي الأكبر أحمد بن حسن المحمدي هو إمام وخطيب وحافظ لكتاب الله تعالى ومجاز فيه. وله دعوة طيبة في منطقتة، فنسأل الله أن يبارك فيه وينفع به. وقد نسب إليه الخائن الكذاب خالد بن عثمان المصري أنه عضو في مجلس الانفصال الجنوبي !!
{ كَبُرَتْ كَلِمَةً تَخْرُجُ مِنْ أَفْوَاهِهِمْ إِنْ يَقُولُونَ إِلَّا كَذِبًا }
ورقيق الدين يلجأ إلى الكذب لينتصر لهواه كحال هذا الكذاب الفتان. وسيكتب الشيخ أحمد بيانا في هذا يبين كذب خالد بن عثمان الكذاب المتلون. وقد بينت من قبل كذب هذا الإدعاء ونشرت في قناتي تحذيرا من هذا الكذب. وما زال خالد بن عثمان يكذب ويتحرقى الكذب. ومازلت أبين وأكشف كذباته وغلوه وبتره لكلام خصومه وتلاعبه في عبارات تنسب لحزبه اللثيم، وقد ظهر لكل ذي عينين صدق كلام شيخنا العلامة حامل راية الجرح والتعديل ربيع المدخلي حين قال عنه: كذاب متلون.

١٦:٧٧٣

Arafāt al-Muhammadi praises his brother for being an Imam, a khateeb and memorizer of the Book of Allah, he also praises his da'wah.

He later called **Shaykh Khalid Uthman** a **liar** and a **treacherous one** for saying that his brother **Ahmad ibn Hasan al-Muhammadi** is a member of the **Southern Transitional Council [which wants to split the South from the North]**.

Arafāt al-Muhammadi again called **Shaykh Khalid** a **liar** and a **fattān** and further said that his brother will write a bayān clarifying the lies of **Shaykh Khalid** etc.

Arafāt al-Muhammadi is clearly lying! The next page will clarify that!

Arafāt al-Muhammadi's lies and attacks on the noble **Shaykh Khalid Uthman** exposed: **number 34** is Arafāt's brother: Ahmad ibn Hasan al-Muhammadi, his name appears on the official page of the Southern Transitional Council's [that want to split Southern Yemen from the North] website as a **member!**

So, who then is the liar: **Arafāt al-Muhammadi** or **Shaykh Khalid**? It is clear for any sincere Salafi that the answer is the Su'fooq Arafāt al-Muhammadi.

And who then is truly treacherous **Arafāt's** brother **Ahmad ibn Hasan al-Muhammadi** or **Shaykh Khalid**? The answer: of course is **Ahmad ibn Hasan al-Muhammadi**, the one who is on the same council to split Yemen in half with **Khārijī Hani ibn Burayk**.

I will leave you with a great piece of advice from **Shaykh Khalid Uthman** to **Arafāt al-Muhammadi** in his **PDF titled Zajru Arafāt 'an il-Kadhib wa al-Khiyānāt page 12:**

لكن اعلم يا عرفات أنك أنت وأصحابك مصيركم مصير أتباع سيد قطب وعبدالرحمن عبدالخالق وأبي الحسن وفالح الحري وعلي الحلبي والحجوري إلى مزلة التاريخ، وإلا فأين ضجيج وصخب هؤلاء الذي ملأ صفحات الإنترنت؟! صار نسيًا منسيًا، وبقيت ردود العلماء الصادقة المؤيدة بالأدلة شاهد عيان على مكر هؤلاء وخياناتهم، ووصمة عار على جبينهم لا يمحوها التاريخ!!!
كذلك سوف تبقى -إن شاء الله- الردود العلمية المؤيدة بالأدلة التي كشفت مكرهم وأبانت عن خطبتكم الخسيسة في خيانة السلفية وعلمائها!
سوف تبقى شاهد عيان على خيانتكم وخستكم ومكرهم السيء، وهي وصمة عار على جبينكم لا تمحوها إلا التوبة الصادقة والتحلل ممن آذيتموهم من المؤمنين!

رؤى عرفات من كتابها

“Know O Arafāt! That the outcome of you and your companions will be the same outcome as the followers of **Sayyid Qutb, Abdur Rahman Abdul Khāliq, Abil Hasan al-[Ma'ribi], Fālih al-Harbi, Ali al-Halabi and [Yahya] al-Hajoori** which is to the dustbin of history, if that is not the case, then where is the commotion and ruckus of those [i.e. followers of the afore mentioned deviants] that were filling up pages [of their falsehood] on the internet?

They are now forgotten and out of sight, that which remains is the truthful/sincere refutations of the scholars backed by evidences which [remain as] eye witnesses to their plots, treachery and [they are] a mark of shame that they carry on their foreheads which history cannot erase!!!

Thus, the knowledge based refutations supported by evidences which have exposed their plot(s) and made clear their despicable plan(s) to betray Salafiyyah and its scholars will remain.

They will remain [as] eye witnesses against your treachery, despicableness, evil plot(s) and they are a mark of shame on your forehead and it cannot be removed except with truthful/sincere repentance [tawbah] and that you seek pardon from the one whom you've harmed from the believers.”

Shaykh Rabee said about liars: “Lying is worse than innovation my brothers, and a liar according to Ahlus Sunnah is more evil than an innovator.

One narrates from an innovator , they [Ahl-us-Sunnah] narrated from the Qadariyyah, they narrated from the Murji'ah and narrated from other than them from the people of innovation as long as their innovation did not reach the level of Kufr and he was not a liar, however if one ascribes himself to the people of the Sunnah and he is a liar then he is worse than the people of innovation.

And for this reason Ibn ‘Adi put in his book "Al Kaamil" (which refers to a book written specifically about weak narrators) 29 chapters about Liars and one chapter referring to the people of innovation. Ahl-us-Sunnah accepted the narration of the people of innovation who were truthful and who did not call to their innovation.”

So then what about the person who's lying is established? Not just lying but lying in the name of the religion and not just like lying upon anyone, but lying upon one of the major scholars of this ummah.

Abdullah bin Mas'ud (May Allah be pleased with him) reported:The Prophet ﷺ said, "Truth leads to piety and piety leads to Jannah. A man persists in speaking the truth till he is registered with Allah as a truthful. Falsehood leads to vice and vice leads to the Fire (Hell), and a person persists on telling lies until he is registered as a liar". [Agreed upon].

Abu Hurairah (May Allah be pleased with him) reported: Messenger of Allah ﷺ said, "There are three signs of a hypocrite: When he speaks, he lies; when he makes a promise, he breaks it; and when he is trusted, he betrays his trust." [Al-Bukhari and Muslim]

I will leave the noble reader with the speech of Shaykh Muhammad Ibn Hadi al- Madkhali: “I am going to censure and criticize them one by one with Allah’s permission - man by man, from their own tweets, their own WhatsApp messages, their positions which they have taken and the testimonies of trustworthy people against them.”²
